RE: SWIMMING CAPS

NUMBER OF PAGES INCLUDING THIS ONE: 4

Dear Sir/Madame,

The FINA Bureau at its meeting in Shanghai in April 2006 decided upon the mandatory implementation of the FINA Bye-law 7.1.2. at the 12th FINA World Championships, Melbourne 2007.

All manufacturers sponsoring and/or supplying swimwear equipment to FINA National Member Federations have to produce the swimming caps for the respective Federation in accordance with the design template attached and the specifications set out below.

- The cap may bear one (1) manufacturer's logo of 12cm² only, which may, as a departure from the bye-law, be on the front of the cap (central or off-centre).
- Country flag and code of 32cm² on the left side of the cap

FEDERATION
INTERNATIONALE
DE NATATION

FOUNDED IN 1908

- Swimmer's name of 20cm2 on the left side of the cap
- FINA Partner logo (Yakult) – please use the logo artwork attached (jpg and eps formats) on the right side of the cap.

This design template should be used by all manufacturers providing swimming caps as part of the swimwear equipment to swimmers of FINA National Member Federations that will be participating at the FINA World Championships, Melbourne 2007.

Please note that this Bye-law only applies to the Swimming disciplines and also that FINA will provide caps (without swimmer's name, flag and country code) free of charge to swimmers not receiving swimwear from any manufacturer through an agreement with his/her FINA National Member Federation.

We would appreciate receiving layouts of your company's application of this design template at your earliest opportunity, in order to approve the design.

Yours sincerely,

Cornel Marculescu
Executive Director
